English Holly

Ilex Aquifolium

"TEUFEL'S HYBRID"

The finest early maturing green stemmed female that is destined to capture the commercial holly market because of its outstanding beauty, proven hardiness, and consistent heavy berry production.

This superior holly was developed by my father through his untiring search, selections and tests of untold thousands of English Hollies.

We now have over 50,000 trees of this variety growing beautifully in our orchards, nursery and throughout the U.S.A. in temperatures ranging from 100° to 10° below zero.

**FEMALE TREES FROM CUTTINGS THAT HAVE BEEN ROOT-PRUNED AND TRIMMED BUT WITHOUT BERRIES ON
UNLESS STATED — Shipment from October 1 through March 15**

TEUFEL'S SILVER VARIEGATED (*Argentea Marginata*). The finest commercial silver variegated female trees from cuttings but without berries on. Does not bear readily until larger.

BIG BULL — Male (Teufel). Best male pollinator.

LITTLE BULL — Male (Teufel). Very ornamental dwarf male pollinator.

ILEX ANGUSTIFOLIA — Male. Glossy leafed miniature of upright growth habit.

ZERO — Female (Teufel). Excellent, hardy.

DELUXE — Female (Teufel). Glossy, large berried.

LILYGOLD — Female (Teufel). Bright golden variegated.

J. C. VAN TOL — Female. Very hardy *Altaclarensis* type.

FRUCTULUTOE — Female. Yellow berry.

ALFRED TEUFEL

11414 N. W. CORNELL ROAD

PORLAND 10, OREGON

SKIMMIA JAPONICA ▷

WHITE BERRIED SKIMMIA, FEMALE

Slightly taller growth habit with large clusters of elegant ivory berries.

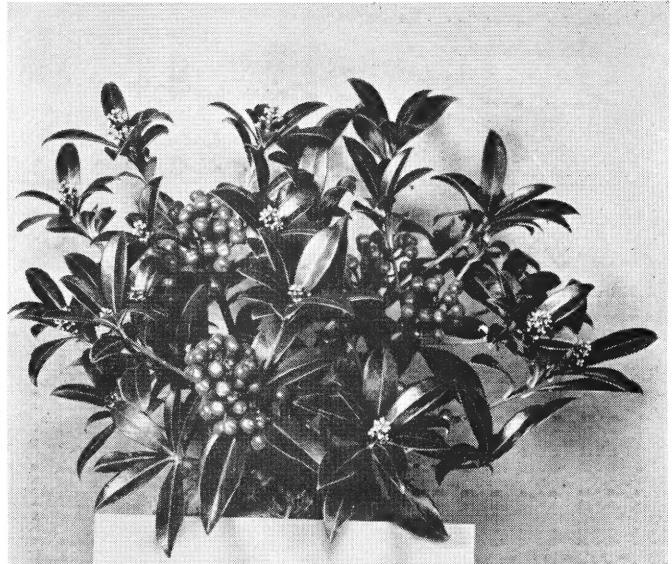

TEUFEL'S DWARF MALE

The hardiest male Skimmia with the same growth habit as Teufel's Dwarf Female that beckons Spring with a display of large maroon bud clusters that supply an abundance of pollen and make this plant worthy of a place in the best gardens whether planted in the center of a group of female Skimmia or by itself.

ORDER EARLY

**The best berried plants are booked in
August and September**

Shipment from October 1 through March 15

TEUFEL'S DWARF FEMALE

An outstanding glossy, broad-leaved evergreen that is beautiful the year around and offers irresistible sales appeal with a profusion of berries, becoming bright red in early November and lasting through March.

Teufel's Dwarf Skimmia is a shade-loving plant that desires a cool summer location with about 50% shade. A heavy, wet, part peat soil is best with very little fertilizer and plenty of water in the summer.

We have had excellent reports on hardiness throughout the East and Midwest with a little protection from winter winds. There is talk of a self-pollinating Skimmia as there is with holly but we have not seen any to date and believe all Skimmia to be dioecious and offer our dwarf male for assured berry production.

For the past 15 years we have been building up our supply of stock plants which enables us to offer this outstanding plant in quantity for the first time.

Teufel's Dwarf Skimmia are all grown from cuttings from an original plant and are not to be confused with an array of inferior seedlings being offered at depressed prices.

**THE FOLLOWING PRICE SCHEDULE IS FOR BOTH FEMALE AND MALE SKIMMIA.
Mostly budded plants for Spring delivery and berried plants for Fall delivery.**

	Price	Approx. Wt.	No. of plants per crate
6- 8" B&B.....	\$1.00	3 lbs.	40

10-12" B&B.....	\$1.50, 1 gal. metal plantainers	8 lbs.	25 (12 1-gal. metal plantainers per carton)
12-15" B&B.....	\$2.00, 2 gal. metal plantainers	12 lbs.	20 (6 2-gal. metal plantainers per carton)
15-18" B&B.....	3.00	17 lbs.
18-24" B&B.....	5.00	25 lbs.
4- 6" in 4" Plastic Pots.....	.75 (48 4" plastic pots per carton)
6- 8" in 5" Plastic Pots.....	1.25 (30 5" plastic pots per carton)

Azalea Rosa Flora

A very dwarf evergreen azalea that is exceptionally hardy and becomes a mass of double light pink flowers about Mother's Day. The blooms resemble a Cecile Brunner rose. This is an excellent garden azalea and is also fine as a pot plant for late Spring.

12".....\$1.50 15".....\$2.00 18".....\$4.00

All heavily budded and ready for Spring shipment.

Aucuba Japonica

Dwarf green female and gold dust variegated female. B&B.

9-12".....\$1.00 12-15".....\$1.50 15-18".....\$2.00 18-24".....\$3.00

Green variety — mostly berried. Rooted cutting, both varieties — \$15.00 per 100.

Kalmiopsis Leachiana

This excellent, hardy flowering evergreen plant was discovered in the mountains of Southern Oregon and found to be a new specie previously unknown anywhere else in the world. Growth habit extremely dwarf, with leaves resembling a dwarf boxwood but smaller and a deep shiny green, slender flower spikes about 12" tall appear in the Spring, completely covering the plant with beautiful pink Kalmia-like flowers. A choice garden plant requiring virgin soil with about 1/4 leaf mold or peat and a sunny exposure.

8-10" Budded B&B.....\$4.00 each

BERRIED HOLLY TREES FOR HOLIDAY SALES

These trees are established in containers, well shaped and have berries on.

6-10" — Hybrid, variegated and yellow berry in 4" plastic pots
48 per carton at 90c each

10-12" — Hybrid, variegated and yellow berry in 5" plastic pots
30 per carton at \$1.40 each

15-18" — Hybrid, variegated and yellow berry in 2-gal. metal plantainers
6 per carton at \$3.00 each

WE WOULD APPRECIATE YOUR "WANT LIST"

TERMS

The prices quoted in this list are effective as of January 1, 1960, and cancel previous quotations. These prices are for wholesale nurserymen only.

Free packing unless stated. Cash with order unless credit is established. One third cash must accompany all orders to reserve quality stock.

Pool freight car shipments can be arranged on most large orders. Truck shipment is cheaper than Express when they will accept perishables. Air Freight is very little higher than Express in most cases.

Please state exact shipping date and choice of carrier as our liability ceases when your order is delivered to the carrier.

All quotations are FOB Portland, subject to change without notice and inability to supply due to conditions beyond our control.

In appreciation of your order we assure you our sincerest effort will be made to supply stock that is satisfactory.
